Church Hop

Words by Ray Boltz, Music by Ray Boltz and John Higgins

Once there was a shepherd

I've been told

Had some sheep

Who wouldn't stay in the fold

Sunday morning, Wednesday night

Checking out every church in sight

Shepherd said,

Kids we gotta have a talk

The wolves are gonna get you

If you're not in a flock

CHORUS:

Don't you be doing that church hop

Don't you be doing that church hop

Don't you be doing that church hop

Don't you be doing that church hop

Once you get started

You just can't stop

Don't you be doing that church hop

Some folks go where they get fed

They do

Some folks go where they feel led

Do you?

Some folks just can't

Make up their mind

Changing churches all the time

They want something hot

They want something new

They just can't find that perfect pew

CHORUS

Some for the money

Some for the show

Preach about commitment

And they go, go, go

Doing that church hop

Doing that church hop

Once you get started

You just can't stop

Don't you be doing that church hop

CHORUS
