Church On Fire

Words and music by Ray Boltz and Steve Millikan

Out on the streets of Jerusalem

Something was going down

People were shouting and praising God

A crowd was gathered around

Peter started preaching

His words were clear and true

The power was strong and before too long

Everybody knew

CHORUS:

This church is on fire

Burning with the power of God almighty

Serving Him and praising His name

Is our only desire

Go and tell your neighbor

All that God has done for you

Jesus said you are the light

And this Church is on fire

The fire that started long ago

Is burning bright today

It's spreading all around the world

Wherever people pray

The Church of God is moving

As long as there's a soul to tell

That Jesus is the Son of God

And Jesus is alive and well

CHORUS

I said this

I said this church

This church is

This church is on fire

CHORUS
