I was listening to my radio  
when something went wrong  
The voice of the announcer  
suddenly came on He said  
"we interrupt this program with late  
breaking news, Last night they  
arrested the King of The Jews"  
He said "we take you now to  
Pilate's house where Christ  
is on trial" It sounded like  
the announcer was wearing a smile  
As he described the accusations  
in the judgement hall  
And How Jesus just stood  
there didn't say nothing at all  
"Get ready everybody,  
the judgement's comin' down"  
I held my breath, I closed my eyes  
I didn't make a sound  
"Jesus defeated" was all that he said,  
"Guilty, convicted and sentenced to death,  
Soon it will be finished on a cross made of wood  
Looks like its over for good, Jesus defeated"

His next few words  
I could hardly believe,  
He said "we're standing  
here at Calvary's tree,  
The sky has turned black,  
blood covers the land,  
From the spear in His side  
and the nails in His Hands,  
Now some called him a Saviour,  
said He lived without sin,  
Some said it did not do much for Him,  
Some called Him Messiah, God's only Son,  
Others shook their heads and  
said the good die young."  
"Jesus defeated" was all that He said  
"Guilty , convicted & now He is dead,  
Yes, it is finished on a cross made of wood,  
Looks like it's over for Good,Jesus Defeated"

(spoken)  
Yeah, Jesus is defeated when  
you look at the grave,  
Until you see that the  
stone's been rolled away,  
Jesus is defeated when you  
look at all the pain He had to feel  
Until you read Isaiah 53 and  
it says that's the way we were healed  
And Jesus was defeated when you  
look at everything He went thru  
And then you realize He went  
thru it for me and you,  
Things in the media they're not  
always what they seem,  
Jesus is alive, do you know what that means?  
end spoken)

It means, Jesus defeated  
the power of death,  
Oh yes it happened  
just like He said,  
He bore our sins on  
a cross made of wood  
He triumphed over evil for good  
And the one who built  
his kingdom on bondage and fear,  
The one who killed the prophets,  
left their families in tears,  
The father of lies, the author of sin,  
Everybody this just in, it was him ....  
JESUS DEFEATED!
