Fallen Not Forgotten

Words by Ray Boltz, Music by Ray Boltz and Steve Millikan

He stood beside his daddy
And watched the solders marching by
It was Veteran's Day and he wondered
Why there were tears in daddy's eyes
Later they laid flowers
Beside a monument of stone
He said, My daddy went to fight
And didn't make it home

CHORUS:

Fallen, not forgotten
He was a hero
He stood so tall
And forever, we will remember
With honor and glory,
He gave his all
They left behind their families
And the towns where they were born
For the rice paddies of Vietnam
And the sands of Desert Storm
They were soldiers in Korea
And World War One
And World War Two
They paid the price
Some gave their lives
And they fought for me and you
Fallen, not forgotten
They were the heroes
Who stood so tall
And forever, we will remember
With honor and glory,
They gave their all
Now freedom is a blessing
But freedom has a price
And we must remember those
Who paid it with their lives
Remember the
Fallen, not forgotten
They were the heroes
Who stood so tall

And forever, we will remember
With honor and glory,
They gave their all
Fallen, not forgotten
They were the heroes
Who stood so tall
And forever, we will remember
With honor and glory,
With honor and glory,
With honor and glory,
They gave their all
