God Gave Me Back Tomorrow

Words by Ray Boltz, Music by Ray Boltz and Steve Millikan

There are voices on the road of life

And I have made choices

That I know werent right

And they brought me to my knees

At the end of a lonely street

And I am standing here today

I want to say

CHORUS:

God gave me back my tomorrow

When I threw tomorrow away

He took this life

Full of sorrow

And suddenly everything changed

The moment it happened

It was the moment I knew

It was like walking in the darkness

When the light comes shining through

I said that God gave me back tomorrow

When you're struggling

With the guilt and shame

You traded your tomorrows

And all you got to show for it

Was heartache and pain

And it's brought you to your knees

At the end of a lonely street

He is standing here today

And Hell help you say

CHORUS (repeat)

The moment it happened

It was the moment I knew

It was like walking in the darkness

When the light comes shining through

I said that God gave me back tomorrow
