Heaven is counting on you
Run with a heart that is true
Carry the cross, reaching the lost
Heaven is counting on you

We are standing at the end of time
We are part of a grand design
We are grateful to a risen Lord
For the others who have gone before

I hear voices in the heavenlies
They are calling to you and me
Saying rise up, there's a world to win
I hear them saying again

Heaven is counting on you
Run with a heart that is true
Carry the cross, reaching the lost
Heaven is counting on you

Many suffered, even gave their lives
For the message of the risen Christ
Now they're watching seated high above
Shouting to us as we run

Heaven is counting on you
Run with a heart that is true
Carry the cross, reaching the lost
Heaven is counting on you

There is a race, there is a prize
There is a price to pay
And the saints beyond
Cheer us on today

Heaven is counting on you
Run with a heart that is true
Carry the cross, reaching the lost
Heaven is counting on you
