Heavenly Father

Words and music by Ray Boltz and Steve Millikan

Here we are together

Start of a new day

In these precious moments

I've got so much to say

When I think about who You are

And all the things that You do

I lift my voice

And start praising You

CHORUS:

Heavenly Father

You're such a good father to me

Heavenly Father

There's no place that I'd rather be

Some days are much better

Than the ones before

But everyday I spend with You

I love You that much more

Even when I fail You

And I try to turn and run

You take my hand

And I know I'm Your son

CHORUS

The world rushes by

Day after day

There's so much to do

There's no time to pray

But I've found with You

A joy that's complete

Kneeling at Your feet

CHORUS (repeat)
