I Still Love You

Words and music by Ray Boltz and Steve Millikan

There's a fire in my heart tonight

I feel it in my soul

It's getting brighter every day

Lord, you came into my life

A long time ago

And here I am tonight

I've just got to say

CHORUS:

I still love You

I still love You

I am not ashamed

I still love You

I still love You

I'm here to praise Your name

Some days I must confess

The feelings aren't the same

My heart just feels so very cold

But Your hand of love and mercy

Keeps me pressing on

And even when I don't feel it

Deep inside I know

CHORUS

This world is full of promises

None of them are true

But Your word

Will never pass away

I want to follow You

CHORUS

I still love You

I still love You

I am not ashamed

I still love You

I still love You

I am not ashamed

To praise Your name

I still love You
