I Want To See

Words by Ray Boltz, Music by Steve Millikan

He sat in the darkness  
At the edge of the road  
He heard the crowd passing by  
But he couldn't go  
So he started crying  
Like a child at the door  
When they tried to quiet him  
He shouted it more

CHORUS:

I want to see  
Free me from this darkness  
Sweeping over me  
I want to see  
Son of David, have mercy on me

Now his heart was trembling  
Could this really be true?  
A voice in the darkness said,  
What do you want Me to do?

CHORUS

Eyes opened in a moment of grace  
Light filled the skies  
One touch  
And he sees the face of life

Now I'm like that blind man  
Who lived long ago  
I want to see Jesus  
And I just don't care who knows

CHORUS
