Is There A Heaven For Me?

Words by Ray Boltz, Music by Ray Boltz and Steve Millikan

She heard him preaching in the church

She tried but she could not get in

She was a lonely child on the street

The wind was cold against her skin

The wind was cold against her skin

She heard the sound

Of strange new words

That someone else would then explain

They spoke of heaven

And a Saviors love

They said that Jesus was His name

CHORUS:

Is there a heaven for me?

A place I wont be hungry or cold?

That is a place that I would love to see

Is there a heaven for me

She waited patiently for hours

Until at last she saw him leave

He couldnt understand

The words she said

So he asked tell me what she needs

CHORUS (repeat)

And on that street they knelt and prayed

And on that night a child was saved

Listen closely and you'll hear

More than just a girl

Youll hear the children of the world

Youll hear the children of the world

CHORUS (repeat 2X)
