It's Not Enough

Words and music by Ray Boltz

I got an AMFM multiplex
With a CD player
And a cassette deck
And I'm turning on
To twenty-four hours
Of Jesus jam
I like to rock and roll
And I love to sing
I lover to praise the Lord
And I love to swing, hey
Friend let me ask you,
Am I a spiritual man?

CHORUS:

It's not enough, not enough
Not enough
There is so much more
That Jesus wants you to be
It's not enough, not enough
Not enough
Jesus wants to use you
To set all the captives free

Well then a voice said,
Mister, what about me?
I'm a charismatic with a color TV
And I'm tuned into that satellite
Up in the sky
Then I said, hey friend
I'm not through yet
I spend all the rest of my time
On the internet
I had to smile
And I gave him the same reply

CHORUS

Listening to your radio
And watching TV
Don't sound much like a ministry to me
If you're sitting there and listening
Saying, Lord, I want to be blessed
Think I'll skip all the homework
And still get an "A" on the test
Friend, you better listen real close to me

CHORUS

Jesus wants to use you
To set all the captives
He wants to use you
To set all the captives
Jesus wants to use you
To set all the captives free
