The disciples were assembled
in the upper room,
They didn't know that Jesus
would be leaving very soon,
They talked about His kingdom
as they readied for the feast,
Who would be the greatest,
And who would be the least.
One said if there's a greatest,
I hope I'm the one,
Others talked of miracles
they had seen and done,
No one noticed Jesus
as He rose up from His seat,
Till knelt before them
and began to wash there feet.

Chorus

I've come to serve you,

I've come to serve you,
And if you know my Father's love
the way you say you do,
Then you will serve each other too.
I wish I could have been there
to see the look each man's face,
A single act of service
puts us all back in our place,
But though we're called to minister,
And do miracles in His name,
Remember when you're sent by Him
the reason that He came.

Chorus

Chorus

Yes you should serve each other too.
