Never Let You Fall
Words and music by Ray Boltz
As you step into the unknown
I know you're frightened
You feel alone
There's something you should understand
You are my child
You're in my hand
CHORUS:
And I will never let you fall
This is a promise to believe
I will never let you fall
Any further than your knees
Now I hear you praying for a child
You're so afraid they'll go wild
Don't forget my love is true
And I will carry them
Like I've carried you
And I will never let them fall
This is a promise to believe
I will never let them fall
Any further than their knees
CHORUS
