Power To Love

Words and music by Ray Boltz and Steve Millikan

Their leader was gone now

Their number was few

Left in the world full of hate

They gathered together

And started to pray

All they could do now was wait

That's when the power

Came into the room

Praise started filling the air

Suddenly they were no longer afraid

They felt His love everywhere

CHORUS:

It's the power to love

The power to reach out

To someone in need

It's the power to love

The power to conquer

This world full of greed

There is no equal on earth

Below or above

We have the power to love

It spread through the city

And out in the street

A multitude gathered around

The power of heaven

Was filling the earth

It turned the whole world upside down

People were singing

And praising the Lord

Laughter was filling the air

Filled with His glorious

Power and strength

They took His word everywhere

CHORUS

We will never lose

We will conquer through love

CHORUS
