Saving Grace

Words and music by Tony Wood, Danny Myrick, and Brent Ronald

She's on the edge of a reputation

Grace wants to change

But it's just so tough

Out with her friends

Looking for attention

Just a girl who wants to be loved

Everyday life is moving faster

Grace is trying by it just won't work

She knows her life

Is headed for disaster

Never knew how much living could hurt

She was running in the wrong direction

Till she met a friend of mine

Now He's

CHORUS:

Saving Grace

From making mistakes

She'll never forget

Amazing Grace

From the heartache and regret

He is saving Grace

On the edge of a big decision

Temptation's calling

Her number's been changed

On her knees

She's talking and she's listening

She's found a way to avoid the pain

Now she's headed in a new direction

Since she met a friend of mine

Now He's

CHORUS
