One by one,  
Jesse's sons stood before the prophet,  
Thier father knew a king would soon be found,  
Each one passed except the last,  
No one thought to call him,  
For surely he would never wear a crown.

(Chorus)  
But when other see a shepard boy,  
God may see a king,  
Even thought your life seems filled with ordinary  
things,  
In just a moment he can touch you and everthig will  
change,  
When others see a shepard boy God may see a king.

One by one,  
Problems come, dreams get shattered,  
Some times it's hard to understand,  
That things like chance and circumstance,  
They don't really matter,  
My Father hold tomarrow in hands.

(Chorus)  
And when other see a shepard boy,  
God may see a king,  
Even thought your life seems filled with ordinary  
things,  
In just a moment he can touch you and everthig will  
change,  
When others see a shepard boy God may see a king.

(Bridge)  
Well he wasn't the oldest,  
He wasn't the strongest,  
Chosen on that day,  
Yet the giant fell and nations trembeled,  
For they stood in his way,

(Chorus)  
And when other see a shepard boy,

God may see a king,  
Even though your life seems filled with ordinary  
things,  
In just a moment he can touch you and everything will  
change,  
When others see a shepherd boy God may see a king.
