No waiting

No running

No searching behind

I will take you time

I will break you mine

Waiting is a crime

All will be now

Dreams are too fast

You are the first

We are the last

No sequence to follow

No fear of tomorrow

Kiss of neverness

Life of timelessness

We'll break the speed of change

We'll tame eternity

Time is within you

Shine through your eyes

We'll kill the word

Black letter lies

Lies lies lies lies lies

Your world is built on lies
