(Gladys Knight)
Are you gonna be
Say that you're gonna be

[Jaime Foxx:]
Oh Oh Oh Oh Oh...

[Chorus: J.Foxx]
She said she wants some Marvin Gaye, some Luther
Vandross, a little Anita, will definitely set this party off
right
(Are u gonna be,gonna be, gonna be, gonna be, gonna
be, well well, well well)
She said she want some Ready for the World, some
New Edition, some Minnie Ripperton, will definitely set
this party off right
(Are u gonna be,gonna be,gonna be, gonna be, gonna
be,well well well well)

[Kanye West:]
I told her to drop over in your new whip,
Bring some friends you cool with,
Imma bring da cool whip,
Then I want you to strip,
See you is my new chick,
So we get our grind on,
She be grabbin, callin me Biggie like Shyne home,
Man I swear she fine homes,
Why she always lying though,
Tellin me them diamonds, when she know they
rhinestones,
She got a light skinned friend look like Michael Jackson,
Got a dark skinned friend look like Michael Jackson,
I played 'Ready for the World' - she was ready for some
action,
My dawg said you aint no freak, so you 'bout to prove
my man wrong,
Imma play this Vandross,
You gon' take your pants off,
Imma play this Gladys Knight,
Me and you gon' get right,

[Chorus]

[Twista:]

I got you lookin at the gliss at my hands and wrists
While i'm layin back and smokin on my canibus
When it come to rockin the rhythm like Marvin and
Luther
I can tell you aint no messin with Kan-man and Twist
From the Chi and I be
Sippin Hennessy
Play some R and B
Tryina smoke a B
Lookin properly
Feelin on a G
And always (Well Well Well Well)
Come with me and sip on some heavenly champagne
You aint know Twista can work it like the Whispers
Hit the stop light, get into some Isaac
The rims still moving so I'm bumping a little spinners
While I'm
Smokin on a B (are you gonna be)
Dippin through the streets(gonna be)
Bumpin R&B (gonna be)
And I got to leave (gonna be)
on the 23's (gonna be)
And I do it (well well well well)
When my earth and the wind smoke a fire
Let me get your sheets wet listening to Keith Sweat
Put you in a daze for maze
Fullfilling your every temptation slow jamin' having
deep sex
You ready for the world girl
Come on over make me touch you all over your body
baby don't say no to me
An every moment you controllin' me I'm lovin the way
you be holding me when I be listening to Jodeci
And when I come over and bend your ass
You be bumpin Teddy Pendergrass
I'da hit it from the back to the melody to roll it slow
Now I gotta go up in it fast, but imma finish last
No matter how much of a thug you see
I still spit it like it's R&B, come the club with me
And when some Luther come on i hope you filla me and
stilla be in love with me

[chorus]

[Twista:]

Baby drop another slow jam
And all us lovers need hold hands

And if you aint got no man hop up on my brougham
I keep it pimpin like an old man
You gots to roll with the plan
Cuz after that then I
Take it to the dome
Then I got to bone
Stay up in the zone
Got to get you home
Gotta run up on
And I do it (well well well well)
Baby drop another slow jam
And all us lovers need hold hands
And if you aint got no man hop up on my brougham
I keep it pimpin like an old man
You gots to roll with the plan
Cuz after that then I
Take you to my home
And we could get it on
Whisper on the phone
Just to get you goin'
Tryina make you moan
And I do it (well well well well)
Baby drop another slow jam
And all us lovers need hold hands
And if you aint got no man hop up on my brougham
I keep it pimpin like an old man
You gots to roll with the plan
Cuz after that then I
Take it to the dome
Then I got to bone
Stay up in the zone
Got to get you home
Gotta run up on
And I do it (well well well well)
