No use pretending things can still be right,

There's really nothing more to say.  
I'll get along without your kiss good night,

Just close the door and walk away.

Never gonna fall in love again.  
I don't wanna start with someone new.  
'Cause I couldn't bear to see it end  
Just like me and you.

No, I never wanna feel the pain  
Of remembering how it used to be.  
Never gonna fall in love again  
Just like you and me.

At first we thought that love was here to stay  
The summer made it seem so right.  
But like the sun we watched it fade away  
From morning into lonely night.

Never gonna fall in love again.  
I don't wanna start with someone new  
'Cause I couldn't bear to see it end  
Just like me and you.

No, I never wanna feel the pain  
Of remembering how it used to be.  
Never gonna fall in love again  
Just like you and me.

Never gonna fall in love again.  
I don't wanna start with someone new  
'Cause I couldn't bear to see it end  
Just like me and you.

No, I never wanna feel the pain  
Of remembering how it used to be.  
Never gonna fall in love again  
Just like you and me.

La-la-la-la, la-la-aaaahhhh!
