The look of love is in your eyes  
A look your smile can't disguise  
The look of love is saying so much more than just  
words  
Could ever say  
And what my heart has heard, well it takes my breath  
away

I can hardly wait to hold you, feel my arms around you  
How long I have waited  
Waited just to love you, now that I have found you

You've got the  
Look of love, it's on your face

A look that time can't erase  
Be mine tonight, let this be just the start of so many  
Nights like this  
Let's take a lover's vow and then seal it with a kiss

I can hardly wait to hold you, feel my arms around you  
How long I have waited  
Waited just to love you, now that I have found you  
Don't ever go  
Don't ever go
