Oh, Why you look so sad?  
The tears are in your eyes  
Come on and come to me now  
But don't be ashamed to cry  
Let me see you through  
Cause I've seen the dark side too.  
When the night falls on you  
You don't know what to do  
Nothing you confess  
could make me love you less

I'll stand by you  
I'll stand by you  
Won't let nobody hurt you  
I'll stand by you

So,  
If your mad, get mad  
Don't hold it all inside  
Come on and talk to me now  
But hey, what you've got to hide  
I get angry too  
But I'm a lot like you  
When you're standing at the crossroads  
Don't know which path to choose  
Let me come along  
Cause even if your wrong...

I'll stand by you  
I'll stand by you  
Won't let nobody hurt you  
I'll stand by you  
Take me in into your darkest hour  
And I'll never desert you  
I'll stand by you  
And when,  
When the night falls on you baby  
Your feeling all alone  
Walking on your own

I'll stand by you

I'll stand by you  
Won't let nobody hurt you  
I'll stand by you  
Take me in into your darkest hour  
And I'll never desert you  
I'll stand by you  
I'll stand by you  
Won't let nobody hurt you  
I'll stand by you  
Won't let nobody hurt you  
I'll stand by you  
I'll stand by you  
Won't let nobody hurt you
