Make it hotter than Los Angeles is

Cause if we don't see a profit kid, nobody lives

[Psycho Les]

Run up on stage and snatch a mic from the announcer

Beats smack a little harder, got you sayin how the..

Catch me chillin at the VIP's
All the bitches like pointin at me, you know it's me,

[Psycho Les]

We're bout to turn it out (I repeat) turn it out
Put it out and let the DJ's burn it out
As soon as, the needle drop, it got your crew bouncin
Beatnuts, feelin this, through the 2000
Rapin loops innocently, cop anything
produced by me, and win instantly, yo!
This is THAT shit you gon' peep in your CD
Beatnuts, and my nigga Greg N-I-C-E
