Met a girl called Lola and I took her back to my place
Feelin' guilty, feelin' scared, hidden cameras
everywhere
Stop! Hold on. Stay in control

Not content to be with you in the daytime
Girl I want to be with you all of the time
The only time I feel alright is by your side
Girl I want to be with you all of the time
All day and all of the night
All day and all of the night
All day and all of the night

Paranoia, the destroyer.
Paranoia, the destroyer.

Well I fell asleep, then I woke feelin' kinda' queer
Lola looked at me and said, "ooh you look so weird."
She said, "man, there's really something wrong with
you.
One day you're gonna' self-destruct.
You're up, you're down, I can't work you out
You get a good thing goin' then you blow yourself out."

Silly boy ya' self-destroyer. Silly boy ya' self-destroyer

Silly boy you got so much to live for
So much to aim for, so much to try for
You blowing it all with paranoia
You're so insecure you self-destroyer

(And it goes like this, here it goes)
Paranoia, the destroyer
(Here it goes again)
Paranoia, the destroyer

Dr. Dr. help me please, I know you'll understand
There's a time device inside of me, I'm a self-
destructin' man
There's a red, under my bed
And there's a little green man in my head
And he said, "you're not goin' crazy, you're just a bit

sad

'Cause there's a man in ya, knawin' ya, tearin' ya into two."

Silly boy ya' self-destroyer.

(Here it goes again)

Paranoia, the destroyer

Self-destroyer, wreck your health

Destroy your friends, destroy yourself

The time device of self-destruction

Light the fuse and start eruptin'

Not content to be with you in the daytime

Girl I want to be with you all of the time

The only time I feel alright is by your side

Girl I want to be with you all of the time

All day and all of the night

All day and all of the night

All day and all of the night

(And it goes like this)
