Look at all the people around me
Same old faces joining the queue
For return to Waterloo
Return to Waterloo

Started off this morning as usual
Checkin' out the mail and all the bills to pay
Maybe something special's gonna happen
Maybe this is my lucky day

The forecast says heavy weather
So take your umbrella just in case
Will I get away? Will I see it through
On the return to Waterloo?

Return to Waterloo
Return to Waterloo

Somehow you feel that the world's been passin' you by
Can't help thinkin' somehow they're living a lie
Now I'm asking questions, I never thought I'd ask them
before
Like "Why?" Or, "How?" Or, "What am I doing it for?"

Will I reach my destination
Or will I get off along the way?
Will I reach my destination?

Will I reach my destination?
Have I stopped or am I only going slow?
Have we got a couple more stations
Or is this as far as we all go?

The headlines cry out from the papers
"Inflation", "Murder", "Wars", who really wants to
know?
If I return to Waterloo
It'll cost me more in 1992

Will I get away? Will I see it through
And come back home to you
On the return to Waterloo?
