Hey, my friend  
You can't run away from time  
They say you can't fight fate  
Time won't wait  
You can't run away from time

And time is the avenger  
But why should we just surrender to it?  
Why go through it?

Run, run, run, run, run, run, run away  
Let's run away from time  
Run, run, run, run, run, run, run away

Girl, you and me  
We've got to set ourselves free this time  
We must try to escape  
Because it's never too late  
Liberation is ours to find

Hey, hey, let's run away  
Let's run away from time  
Hey, hey, let's run away

Hey, girl  
Let's run away from time  
We've still got mountains to climb  
A day at a time  
It's never too late, so why should we wait?

Take me, save me, maybe, baby  
Run, run, run away  
Run, run, run away  
Run, run, run away

The world is too obsessed  
By the continual quest  
For the fountain of youth  
They will never find

And time is the avenger  
But why should we just surrender to it?

Why go through it?

Run, run, run, run, run, run, run away

Let's run away from time

Run, run, run, run, run, run, run away

Run, run, run away

Run, run, run away

Run, run, run away

Run, run, run away
