Baby, I feel good
From the moment I rise
Feel good from morning 'til the end of the day
'Til the end of the day

You and me
We live this life
From when we get up
'Til we go sleep at night

You and me we're free, yeah
We do as we please, yeah
From morning 'til the end of the day
'Til the end of the day

Yeah, I get up
I see the sun up
And I feel good, yeah
'Cause my life has begun

You and me we're free, yeah
We do as we please, yeah
From morning 'til the end of the day
'Til the end of the day

'Til the end of the day
'Til the end of the day
'Til the end of the day

You and me we're free, yeah
We do as we please, yeah
From morning 'til the end of the day
'Til the end of the day

'Til the end of the day
'Til the end of the day
'Til the end of the day
