Baby knows {repeats throughout song}

This funky joint in the city
Where the freaks come out 2 play
Venezuelan, black and pretty
The kind that make U wanna pay - hey!

She got the long dark legs
She got the butt that go 'round
This kind of poochie make u beg
And turn a dog into a hound

She tell me what I wanna hear, huh
She stroke me up and never down
Whispers sexiness in my ear
I'm just a junkie 4 the sound

She make U call your boys in a powwow
2 scope a plan how 2 ditch her man in a trunk of a
Lexus
A perplexin' hex this witch has flexed

CHORUS:

She got the long dark legs
She got the butt that go 'round
This kind of poochie make u beg
Turn a dog into a hound

Baby, baby (Baby, baby)

She knows how 2 make U feel like your stuff ain't brown
2nite
And her perfume, it smell like the weekend

This funky joint way down in the city
Where the girls sing along 2 the Hip-Hop all night long
White girls, Black girls, Latinas - oh so pretty
Don't make me give U this ring baby
Ooh ooh ooh

CHORUS

Ow, girl (Baby, baby)
Baby knows
Hey, hey (Ba-ba-baby knows)
She got the long dark legs (Mmmm hmm!)
She got the butt that go 'round (The butt - goes round
and round)
This kind of poochie make U beg (Yeah yeah yeah)
(Give me your number and I'll call U)
I know U just didn't turn me down
