Looks like you're feelin' like  
The rain won't ever stop  
Life's left you standing there  
One against the odds  
>From now on you need to know  
You don't have to stand alone

When the world turns you in circles  
And the wind is at your face  
When you need somewhere to run to  
I know a place  
If you want someone who's willing  
To lay down their heart  
Someone to dry your tears  
I'm here  
I volunteer

A shoulder, a caring voice  
To tell you it's okay  
Two arms meant for holding you  
Whenever you're afraid  
I've got that and more to spare  
Just say the word and I'll be there

When the world turns you in circles  
And the wind is at your face  
When you need somewhere to run to  
I know a place  
If you want someone who's willing  
To lay down their heart  
Someone to dry your tears  
I'm here  
I volunteer

If you want someone who's willing  
To lay down their heart  
>From now throughout the years  
I'm here  
I volunteer
