Elizabeth: Take my hand
I'm a stranger in paradise
All lost in a wonderland
A stranger in paradise
If I stand starry-eyed
That's a danger in paradise
For mortals who stand beside
An angel like you

I saw your face
And I ascended
Out of the commonplace
Into the rare
Somewhere in space
I hang suspended
Until I know
There's a chance that you care

[Chorus]
Won't you answer the fervent prayer
Of a stranger in paradise
And tell her that she need be
A stranger no more

Alfie Boe: Take my hand
I'm a stranger in paradise
All lost in a wonderland
A stranger in paradise
If I stand starry-eyed
That's a danger in paradise
For mortals who stand beside
An angel like you

Both: I saw your face
And I ascended
Out of the commonplace
Into the rare

Alfie Boe: Somewhere in space
I hang suspended
Until I know

Elizabeth: Till the moment I know

Alfie Boe: There's a chance that you care

Elizabeth: There's a chance that you care

Alfie Boe: Won't you answer the fervent prayer
Of a stranger in paradise
Don't send me in dark despair
From all that I hunger for

Both: But open your angel's arms
To the stranger in paradise
And tell me that I need be...

A stranger no more
