(this was my first time finishing a song with vocals. I made it as a joke for some of the people I worked with)

they told me I got 30 minutes
and I might get more
I set my stopwatch
now I'm waiting
impatient I pace the floor
and I keep peeking out my window
to see if they're at my door
I guess that this is what I get
for avoiding the grocery store

(Chorus)
what's your specials
why's it so much
what's a dude got to do
to get some lunch
tell your people
to pick up the pace
because I can hardly wait
to get that grease into
my face
they say I got 30 minutes
as if waiting's a reward
but I hate waiting
it's frustrating
feeling hungry and bored
I check my stopwatch
and it's telling me
it's already been 33
I call the store demanding
they give me something free
and they say
safety is priority
30 minutes is no guarantee
but I know that they're
lying to me
I seen it on the TV

(Chorus)
