A mix of pain and happiness
Surrounds us even now.
A mix of pain and happiness
I don't know why or how.
It's still here,
It's outlasted every year.
We're still here
Just like you say.

A mix of pain and happiness
Between a woman and a man.
A mix of pain and happiness
Replaced every plan.
Love is true,
Or it is between me and you.
Love is all
I have to say.

I saw your face, I heard your voice.
I was a prisoner, I had no choice.

I saw your face, I heard your voice.
I was a prisoner, I had no choice.

A mix of pain and happiness
Tumbles us downhill.
A mix of pain and happiness
Takes us where it will.
It can't last,
It's over much too fast.
Let it last
Another day.
