Sean I'd say the best one came from Tupelo,  
Mississippi  
I'll tell you now that grown men cry and Irish girls are  
pretty

Though fear and hurt and care can lead me to despair  
I saw why I'm here the morning you appeared

Sean, I sat awhile on clouds to ask God if he's living  
I should have spent some time on knees in thanks for  
what he's given

From Parents smart and strong to both of us passed on  
From Kings is where you come, through daughters and  
through sons

Sean I'd say the best one came from Tupelo,  
Mississippi  
I'll tell you now grown men cry and Irish girls are pretty
