Keep on a slow burner
From Monday till Friday
Keep on a slow burner
Ank I'll take it's place

Stay lonely, for four midnights
Till I'm holding you tight
Keep on a slow burner
And I'll take it's place

Keep on a slow burner
From Monday till Friday
Keep on a slow burner
I'll take it's place

Work hard now
But not too much
Don't damage your soft touch
Keep on a slow burner
And I'll take it's place
Keep on a slow burner etc...
