I take your brain to another dimension.

I'm gone sending to outer space,
to find another race.

I'm gone sending to outer space,
to find another race.

I'm gone sending to outer space,
to find another race.

[01:01]I'm gone sending to outer space,
to find another race.

I'm gone sending to outer space,
to find another race.

I'm gone sending to outer space,
to find another race.

I take your brain to another dimension.
