[Hook: Shock G & 2Pac]

"2Pac, 2Pac go ahead"

Static is the last thing ya need when ya see me

"2Pac go ahead and rock, 2Pac, 2Pac"

"2Pac go ahead, 2Pac"

Static is the last thing ya need when ya see me

[2Pac]

I'm smokin' these niggas like they indo

Breakin' em' like they windows, and still they with

Until they get a whiff of this shit that I kick

And if they ever had a notion to stop me

Shoot cha' best shot and get dropped with ya posse

Nigga I got the Motts

I thinkin' the amount, a lot I got

More than you can hot

I'm rockin' the spot so now they jock

Come, come and get dropped

2Pac ain't trying to hear it

I can swing it at cha' rock

I'm swearin' that cha' not so hot

Static is the last thing ya need when ya see me

Better have a bat or a gat to defeat me

Nigga, I'm a whole posse rolled into one shot

Takin' all ya got, while ya girl gets hot and rocks the spot

Pure, funky flavor with the gift that only God gave

All the way to my grave, I'd rather die than be a slave

Slaves come as dope dealers, some come as addicts

Some come to run while the other cause static
