Come with me to the dance floor  
You and me, 'cause that's what it's for  
Show me now what is it  
We got to be doing  
And the music in the house  
And the music in the house  
And the music in the house is so...

Do it!

Do it!

Do it!

Do it!

Come with me to the dance floor  
You and me, 'cause that's what it's for  
Show me now what is it  
We got to be doing  
And the music in the house is so

Come with me to the dance floor  
You and me, 'cause that's what it's for  
Show me now what is it  
We got to be doing  
And the music in the house  
And the music in the house  
And the music in the house...

Do it!

Do it!

Do it!

Do it!

Come with me to the dance floor  
You and me, 'cause that's what it's for  
Show me now what is it  
We got to be doing

And the music in the house  
Is so...

Come with me to the dance floor  
You and me, 'cause that's what it's for  
Show me now what is it  
We got to be doing  
We got to be doing  
And the music in the house

Do it!

Music, music, music, music
