Konvict

Shawty eyeing me.
Shawty eyeing me.

I don't like them other fellas cause they just be talking.
A bad bitch walk by see them and keep on walking.
But you can't find me in the corner actin balling.
With the same chick stepping my way when they hear
me calling.

Want me to frame them
shawty you can't blame them,
cuz the way I game them,
they spreading on the pavement

Shawty eyeing me
cause she recognize a G
and she know my type be in them streets holding a lot
of cheese singing

[Chorus]:

I'm trying to find a way to get that fat ass up out them
jeans
she got it,
I can tell by the way it's bouncin bouncin.
I'm tryin to find a way to find myself inside of them
jeans
how bout it,
cuz a nigga like me gonna try it oh

She got that donkey kong bouncing in that blouse
oh(4X),

I'm sure you heard my name before but you don't know
me.
Matter of fact you seen it shining on my jewelery.
That Konvict logo I'm swinging on your T.V.
Even I can tell you wanna be just like me.

Why you bragging boasting
your the type I'm roasting,
while you in the Cutlass I'm in the Ferrari coasting.

Shawty eyeing me,
cuz she recognize a G
and she know my type be in the streets holding a lot of
cheese singing

[Chorus]:

I'm trying to find a way to get that fat ass up out them
jeans
she got it,
I can tell by the way it's bouncin bouncin.
I'm tryin to find a way to find myself inside of them
jeans
how bout it,
cuz a nigga like me gonna try it oh

She got that donkey kong bouncing in that blouse
oh(4X).

Want me to frame them
