first it starts to drizzle, uhh i'm taking my time
girl i'm concentrating on you,
then it starts to rain, every time you bring drops i
wanna
shower all over you.

chorus:
let's make love to rain
let's make to the sound of the rain
listen how the hip drops can ..the rain
so let's make love to ..of the rain.

sit right here, girl your hair
so let me go pull out my umbrella above
you ain't never taste so good
you have got to be the best issue of your life

first it starts to drizzle, uhh i'm taking my time
girl i'm concentrating on you,
then it starts to rain, every time you bring drops i
wanna
shower all over you.

let's make to the sound of the rain
listen how the hip drops can ..the rain
so let's make love to .. of the rain.

when the ..flipping all over ..closer to me

first it starts to drizzle, uhh i'm taking my time
girl i'm concentrating on you,
then it starts to rain, every time you bring drops i
wanna
shower all over you.

chorus:
let's make love to rain
let's make to the sound of the rain
listen how the hip drops can ..the rain
so let's make love to .. of the rain.
