[Verse 1:]

I just got off of work, it's 1:30  
I'm kinda hungry cause I know my girl lonely  
Goin' back to my crib, it's kinda early, surprise my girl  
because I know she waitin'  
I open the front door, I hear moanin'  
For real somebody uppinn' to kill somebody  
I get closer, I hear groanin'  
Bust in the door and see my girl with a chick  
That's when I know that...

[Hook:]

My girl got a girlfriend  
I just found out, but it's aight, long as I can be with  
them too  
My girl got a girlfriend  
It really is not a problem cause imma make it do what it  
do  
Cause havin' 2 chicks is better than no chicks, I'd rather  
the join in, Keep my girl and keep the other one too  
My girl got a girlfriend  
It really is not a problem cause imma make it do what it  
do girl

[Verse 2:]

You know you wrong shawty, could have told me, that  
you was sleepin' with a chick  
How the hell leavin' me out  
I thought we was better shawty, You so stingy  
While you was kissin' on it, I could be behind her driven  
diggin' her out  
Probably thought I'd be mad girl, But I'm so cool wit it,  
both of yall in my bed watch what I do to it  
Girl Imma fool with it, Imma fool with it  
So slide over shawty, Let me show you how a playa get  
down  
Cuz girl I'm bout to give you both the business, and  
beat it up until you say you finish  
Then I do the other one, gotta bust it like a gun, so I  
don't really care that

[Hook:]
