She's doing things to me I've never seen
Doing things I've never failed before
I didn't spend about a grand already
And I'm bout to spend some more

Girl it's about foe I'm tryin leaving you
... can I be honest with you
The way you're moving sexy hips
Got me wondering can you do that in my room
And I don't like her I've been pitching me inning
Making this love to you
Get your money girl don't forget the... Dj no

And try to come up to disrespectful but girl I

Pay for it, pay for it, pay for it, pay for it
Girl I pay for it oho
