These hands are made for touching
Your body
I'm looking at your body, girl
I feel like the time is right, yeah
You got me daydreaming about

Making all this good loving to you, you
I wanna kiss you on your soft skin
Then make my way down to the navel
'Cause you know what I like to do to you

Here I go, down I go, girl, I'm ready to show you
How much I miss you 'cause it seems like I've been
gone forever
And it's only been a minute
Come show me what I've been missing
Girl, I'm gonna sing your body night, night
Soon as I put my hands on you

Baby, you're my temple
Because every time I'm inside I praise you
Loving you is simple
That's because God, He made you for me
And nobody else
These hands were made to touch you, girl
To love you, girl
They belong to your body

Girl, I'm ready to show you
How much I miss you 'cause it seems like I've been
gone forever
And it's only been a minute
Come show me what I've been missing
Girl, I'm gonna sing your body night, night
Soon as I put my hands on you

Soon as I put my hands all over your body
You gonna want my body
And I'mma get you my body, girl
Soon as I put my hands all over your body
You gonna want my body

And I'mma get you my body, girl
