[Kool Keith: singing]

This is for the people, up in Utah

Walking on snow

This is for the people, in Des Moines, Iowa

Show 'em where to go

This is for the people in California

This is for Portland, this is for Seattle

And this is for the baby just born with the rattle

This is for the people, I been through Buffalo

This is for the people

[Kool Keith:]

Skill is superb

To the noun, adjective of the verb

Objective activist verbal

Antagonist linguistics build up

To a centimeter linguistic anti-archaeologist

Can't face the hype, of latitude

I follow this with a shallow twist

Predators work hard, in the center

To find the asteroid level

I demolish discs collect as raw - dust

But I'm titanium steel bars, they can't polish this

Atomicness to them it's hard

To me it's an irregular flow

Spectators love the common twist written with my arm  
and wrist

With charmin fists, you got the ball

You calm and miss

Techno got nothin on me, I warned thee

Disaster master from solo like Marco Polo

Marco slow-flow, the handle like Glen Campbell

Country rock star, I'm in a country rock car

I check the blondes and brunettes out

I'm in a country rock bar

Scientific explanatory, it's comin out the laboratory

With the sprinkle tinkles

With the Handi-Wipe, for the handy type

Me and Tom and Tim and Raggedy Andy and Sandy  
in V.I.P. under the handy light

Sippin Grey Goose and Sunny Delight

Makin Kareem Abduls look like, sunny rewrite  
Lyrics written by the rabbit with furs, and bunny e-lites

[Chorus:]

Hand me the guitar, a.k.a. black star  
Midwestern Shoe Calhoun, cowboy hat in the bathroom  
In the back of the saloon  
Birthday party with Kenny Rogers, champagne, poppin  
balloons  
Limos for everybody, you may kiss the bride groom  
Rock's biggest ceremony, ask angel  
Ask Tony more dehydration, water comin down and  
defacin  
The long veil... justice will prevail

[Kool Keith: singing]

It's a song, about the people  
Ooh, it's a song  
It's a song, about the people  
Ooh, it's a song  
Ooooh yeah  
This is for the people up in Utah  
This is for the people up in Des Moines, Iowa  
This is for the people in Milwaukee  
This is for the people lonely up in Buffalo  
This is for those people livin in their self in Texas  
This is for the all the people livin out in the California  
area  
This is a song I wrote  
It's for the people
