Pico-Union [x2]

Ain't no love [x4]

We're missing in action living in a time when it's in  
fashion  
To be gun flashing, blasting that's why we ain't lasting  
All fastened, strapped ready for rivals harassing  
Looking over your shoulder ducking cars that are  
passing  
In my rumbo you hear that Latin Lingo  
Guns shoot through at pachucos fuckin' sickos  
With four nickels nobody walks around single  
Get caught slipping they'll pull your card from a  
window  
It's that simple locals get gaffled by barrio locos  
Steal their Spanish grease making them shed a tear  
like Willie Bobo  
Over dollars, chains and rings things that are worth  
poco  
A coco's out there stealing 'cause they're fiending for  
perico  
A head crack will strike and attack for a sack  
Pawn or sell your shit to buy a rock and bring that high  
back  
That's why I strap it's my defense against those  
Who are committing defense randomly becoming  
foes?  
Shit is survival of fittest testing who's biggest and  
realest on the street  
Feel this beware of killers, stealers and dealers  
Rebel guerillas striking on policemen who give us  
Hard times in the city where no love is with us
