Doo-doo-doo-doo-doo  
Mmm-mmm-mmm

A woman needs love just like you do, hoo  
Don't kid yourself into thinkin that she don't  
She can fool around just like you do, hoo  
Unless you give her all the lovin she wants

Don't the mistake of thinkin old fashioned [Ooh, ooh]  
Times have changed from yesterday  
But no longer will those old double standards [Ooh,  
ooh]  
Be accepted by the women of today

So when you think you're foolin' her  
She just might be foolin you  
Remember if you can do it  
She can too

Because a woman needs love just like you do, hoo  
Hey, don't kid yourself into thinking that she don't  
She can fool around just like you do, hoo  
Unless you give her all the lovin' she wants

When her eyes are beggin for affection [Ooh, ooh]  
Don't put her off, don't make her wait  
Don't try to give her that worn out excuse [Ooh, ooh]  
About being tired and workin' late

I tell you one day you'll come home  
Early from work [Home from work]  
Open up the door  
And get your feelings hurt

Because she needs it, yeah [Just like you do, hoo]  
A woman's got to have it, whoa, yeah, just like you  
And if you're smart, mmm, [Just like you do, hoo] you  
better stop foolin  
around, hey, hey  
Cause she will too, oh

Just like you do, hoo  
Thinking that she don' hoo, ooh  
Just like you, hoo  
Now an example to you

Is by the time poor Jack  
Returned up the hill  
Somebody else  
Had been lovin' Jill

A woman needs love just like you do, hoo  
Hey, don't kid yourself into thinkin that she don't  
She can fool around [Yeah, just like you do, hoo], she  
will fool around so  
You better take out some insurance and be sure she  
won't

Give her the love, mmm [Just like you do, hoo], yeah  
That sweet, sweet love, she wants it just like you  
Cause she can fool around [Just like you do, hoo] just  
like she will fool  
around  
With you or without you, just like you do

A woman needs love just like you do, hoo  
Hey, don't kid yourself into thinking that she don't, hoo,  
ooh  
She can fool around just like you, hoo  
A woman needs it just like you
