I'm all confused and
I don't know what to do
Cause I still can't
get over lovin' you
I've had a time when
I can't you off my mind
No I still can't
get over lovin' you

Every time I run into your friends
I just have to ask them
with who and where you've been
And when they tell me what
I really didn't want to know
It only breaks my heart
it makes me want you more

When I hear your name
I get going insane
Cause I still can't
get over lovin' you
I can't turn you loose
though I know it's self-abuse
I still can't get over lovin' you

Now I've tried to get
involved with someone new
But it's just no use
cause I expect them to
be like you, baby
I don't know what I'm gonna do
cause every girl I
date resembles you

Oh help me baby, I'm goin' crazy
I still can't get over lovin' you
No oh it's tearin' my heart apart
cause I still can't
get over lovin' you
Girl I'm so sad and
it hurts me so bad
Knowin' you're with

someone else (someone else), oh
Though I have no right to be
I'm filled with jealousy
cause I want you for myself

And I'm not blamin' you, naw, baby
It's not your fault if
you feel the way I do
And even though I wish
that you'd still love me
It still won't change
the way I feel for you

Girl I can't forget
cause it's not over yet
I still can't get over lovin' you
Every breath you take
I'll be watchin' you girl
Cause I still can't
get over lovin' you, mmm

There's no way that
this thing is through, no
(I still can't get over)
Not yet, I ain't through lovin' you
I'm gettin' mad (lovin' you)
girl, don't you ever
try to leave, no, no
(I still can't get over)
It'll be the last thing
you'll ever do, oh

(Lovin' you)
(I still can't get over lovin' you)
