Do do do...

First time I saw you, baby
I knew right away
I wanted you for my lady
I had to rush right over to you
And ask you if you felt
The same way, too

Now we've known each
Other many a night
And I want you to know
My intentions are right
For making you my lady
The one and only lady
In my life (in my life)

(CHORUS)

I wanna be two places
At the same time
Inside you and
Inside your mind
Both of these ways
I wanna love you
Cause one without the
Other just won't do

(CHORUS)

I'm so thankful
That I found the woman
Who I can trust
With all my loving

Cause as a love affair
Goes on and on
It takes more than
Good looks to keep
The feeling strong

Personality is a must
Cause after God
Only you I will trust
With my heart, baby
Girl, I offer you
My only heart (my only heart)

(CHORUS)

No, girl
It just won't do, ow

Two places at the same time
Can't be no other way
Cause I made up my mind
You mean more than just fun to me
And that's the reason why
I've got to be two places

Two places, same time
Inside you, inside your mind
Both of these ways
I wanna love you
Cause one without the
Other just won't do

Two, two places
At the same time
(Not one, but two)
Inside you and
Inside your mind, ow
