I don't know if your insecure  
Or you want to be played for an amateur  
It's so typical, believable  
Every time he walks right out the door

It's been overdone  
Every word he says is another one  
Unreliable, got an ego  
Never told you how much you were beautiful  
And I thought that you would know, would know, would know

I'll be your gentleman (woah oh)  
I'll give you everything (yea yea)  
I'll be your remedy, therapy, anything you want from me  
I'll be your gentleman, gentleman, yea

He's the player type  
Different girl, different club every other night  
So predictable, always out of sight  
Never thought that you could be treated right  
It's been overdone, every word he says is another one  
Unreliable, got an ego  
Never told you how much you were beautiful  
And I thought that you would know, would know, would know

(ChorusX2)  
I'll be your gentleman (woah oh)  
I'll give you everything (yea yea)  
I'll be your remedy, therapy, anything you want from me  
I'll be your gentleman, gentleman, yea

Anything you want from me, I'll be your remedy  
Anything you want from me, I'll be your remedy  
Anything you want from me, I'll be your remedy

(ChorusX2)  
I'll be your gentleman (woah oh)

I'll give you everything (yea yea)  
I'll be your remedy, therapy, anything you want from  
me  
I'll be your gentleman, gentleman, yea
