(Ervin Drake - Jimmy Shirl)

My true love stands across the river  
Far across the rolling river  
On the banks I hear her calling  
Away, we're bound away,  
Across the wide Missouri.

Oh Shennandoah, I long to see you  
Far across the rolling river  
Shennandoah, I'll not deceive you  
Away, we're bound away across the wide Missouri.

--- Instrumental ---

For seven years I've been a rover  
Far across the rolling river  
I'll return and be your lover  
Away we're bound away across the wide Missouri...
