I'm gettin' tired of roamin' around  
I'm gettin' tired of paintin' the town  
Bright lights and blonde haired women don't thrill me  
I'm gettin' tired of being lit up like a Christmas tree

I guess I've done everything there is to do  
You said it would be this way  
Believe me baby, I'm all through  
Please let me come home to you

I'm gettin' tired of roamin' around  
Yeah, I'm gettin' tired of paintin' the town  
Bright lights and blonde haired women, oh, don't thrill  
me  
I'm gettin' sick and tired of being lit up like a Christmas  
tree

I guess I've done everything there is to do  
You said it would be this way  
Believe me baby, I'm all through  
Please let me, please let me come home to you
