They're working while I'm missing you, those healing
hands of time
And soon they'll be dismissing you from this heart of
mine
They'll lead me safely through the night and I'll follow
as though blind
My future tightly clutched within those healing hands of
time

They let me close my eyes just then, those healing
hands of time
And soon they'll let me sleep again, those healing
hands of time
Already, I've reached mountain peaks and I've just
begun to climb
I'll get over you by clinging to those healing hands of
time
I'll get over you by clinging to those healing hands of
time
